Spirit Experience Weekend

At the Spirit-Filled Palmer House in Sauk Centre, MN

Bring an open mind as we explore multiple avenues of interacting with Spirits and paranormal energy. We will dig into tools used in many spiritual fields, connect with Spirits, and travel different avenues of spiritual exploration throughout the weekend.

Planned events throughout the weekend:

Shamanic Spring Ceremony – Spring is a time of awakening and revealing to the world our inner selves which we have been silently working on growing and healing during the dark days of winter. The ceremony will be held at Sinclair Lewis Park (at the lake) weather permitting. Otherwise we will hold the ceremony indoors.

Dousing Rod Class – Learn the history of dousing rods, their uses, types available and how to use them for spirit communication! Proper technique and use will be taught and practiced during the class.

Spring Séance – Dim the lights and welcome in the souls of the Palmer House and other spirits to join us for a spirit communication session.

Gallery Reading – Heidi and Tim invite the group for gallery style intuitive readings. We will answer your questions and translate messages for you from our Spirit Guides.

Crystal Ball Class – Learn the history of crystal balls, their uses, and practice trying your hand at orb divination during the class.

Paint and Sip Thursday evening, we create paintings with a fun divination theme.
(Separate cost of \$35 includes one drink from the Palmer House and all supplies!)

There will be social time in the Palmer House Pub each evening (after the planned events) and breaks throughout the weekend where you can take time if you like to get to know other spirit enthusiasts attending the event.

Tickets are \$67.00 per person and include the events listed above unless otherwise noted. Each person is responsible for hotel room and food/beverage purchases.
Please visit www.myspiritexperience.com to register.

Thursday night room rental free with your paid Friday/Saturday night stay!
